

2010 NOMINATION FORM INFORMATION

Criteria statement:

The Colorado Women's Hall of Fame inducts contemporary and historical women who have **significant ties to Colorado** and have

- Made significant and enduring contributions to their field of endeavor
- Elevated the status of women
- Helped open new frontiers for women and for society in general
- Inspired others by their example.

Selection process:

Inductees will be selected by an independent panel of community members from across Colorado. The women chosen at the end of this process will be announced in November 2009. A gala induction ceremony will be held in March 2010. It is expected that all nominators of historical inductees and all new contemporary inductees would appear at the ceremony, if physically able.

Nomination form:

To **nominate** an outstanding Colorado woman, please fill out the form below. All entries must be typed. If more than one woman is responsible for the contribution that forms the basis of your nomination, you may nominate both women in a joint nomination. Please be sure to provide identifying information for both women (dates and places of birth and death (if applicable) and contact numbers and addresses).

Submit 3 copies of the form and 3 copies of any accompanying documentation by the **deadline: August 29, 2009** to the address shown on the form.

Incomplete forms cannot be considered. Complete contact information including at least an address and telephone number (indicating whether it is a home or work address) is required for both the nominee and the nominator. An email for contemporary nominees and for all nominators is also preferred for ease in contacting parties.

Please note that no materials can be returned to the nominator, so do not submit any irreplaceable documents. If your candidate is chosen as an inductee, be aware that a portrait photo will be requested of you (for historical nominees) or the contemporary inductee at the time of selection.
